A huge congratulations to the girls basketball team who defeated Lewisville Middle School and advance to the district finals against Riverview East on Thursday. The girls were down 5 points with 40 seconds left in the game, but with strong defense and team work, the girls were victorious by 1 point! Players of the game for their leadership were Alina Maltais, Anna Keech, Kara Graves, and Esme Arsenault. A strong defensive game was played by our feisty sixth grader Lydia McGillis and a special shout out to another sixth grade player Brea Lavigne for nailing a big basket at the end of the game. Our bench was certainly the sixth player in that game and kept our energy alive. Way to go, Huskies! The girls have practice after school today.
