7 Math 8 Science

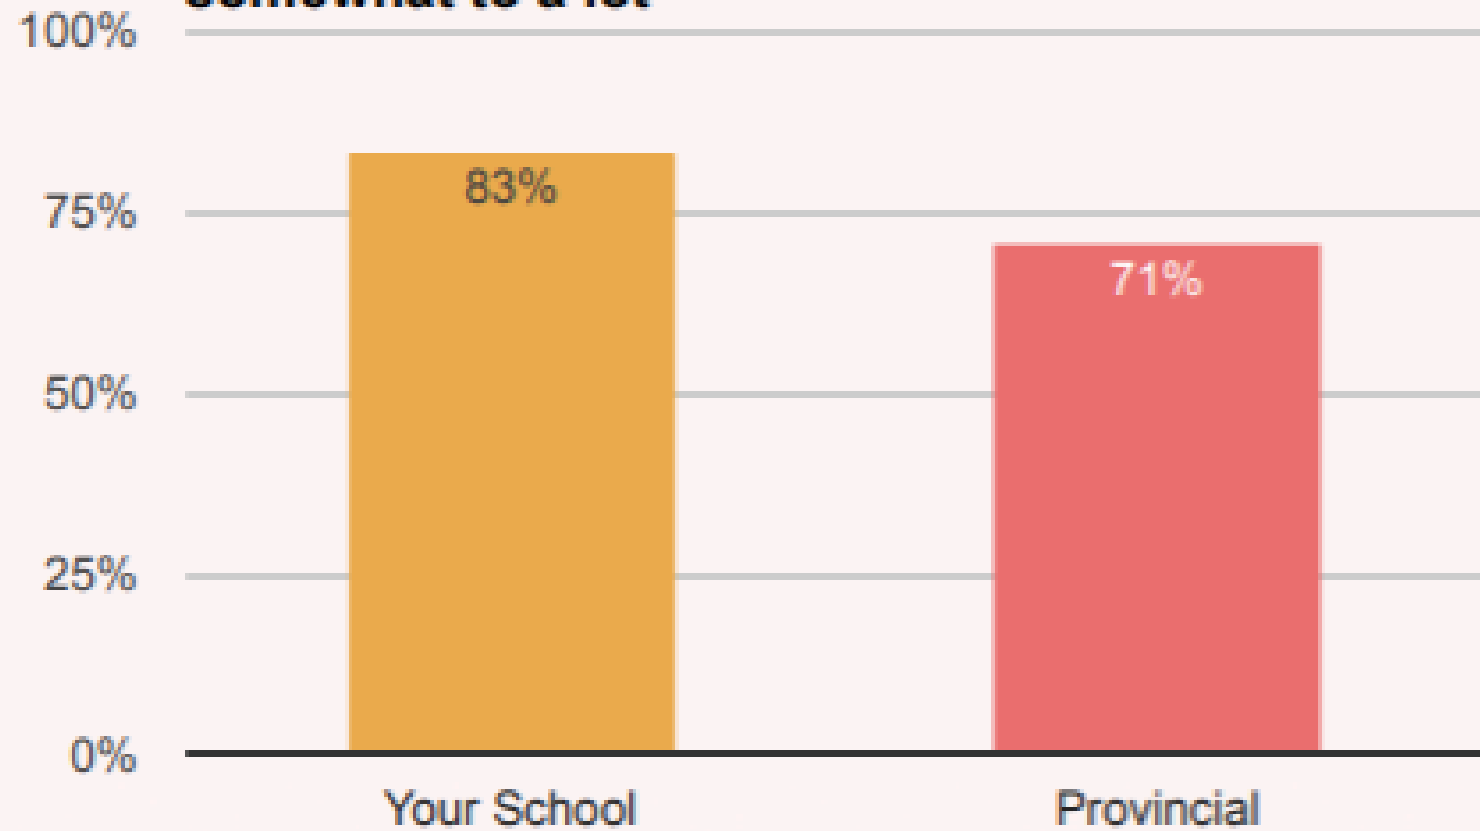

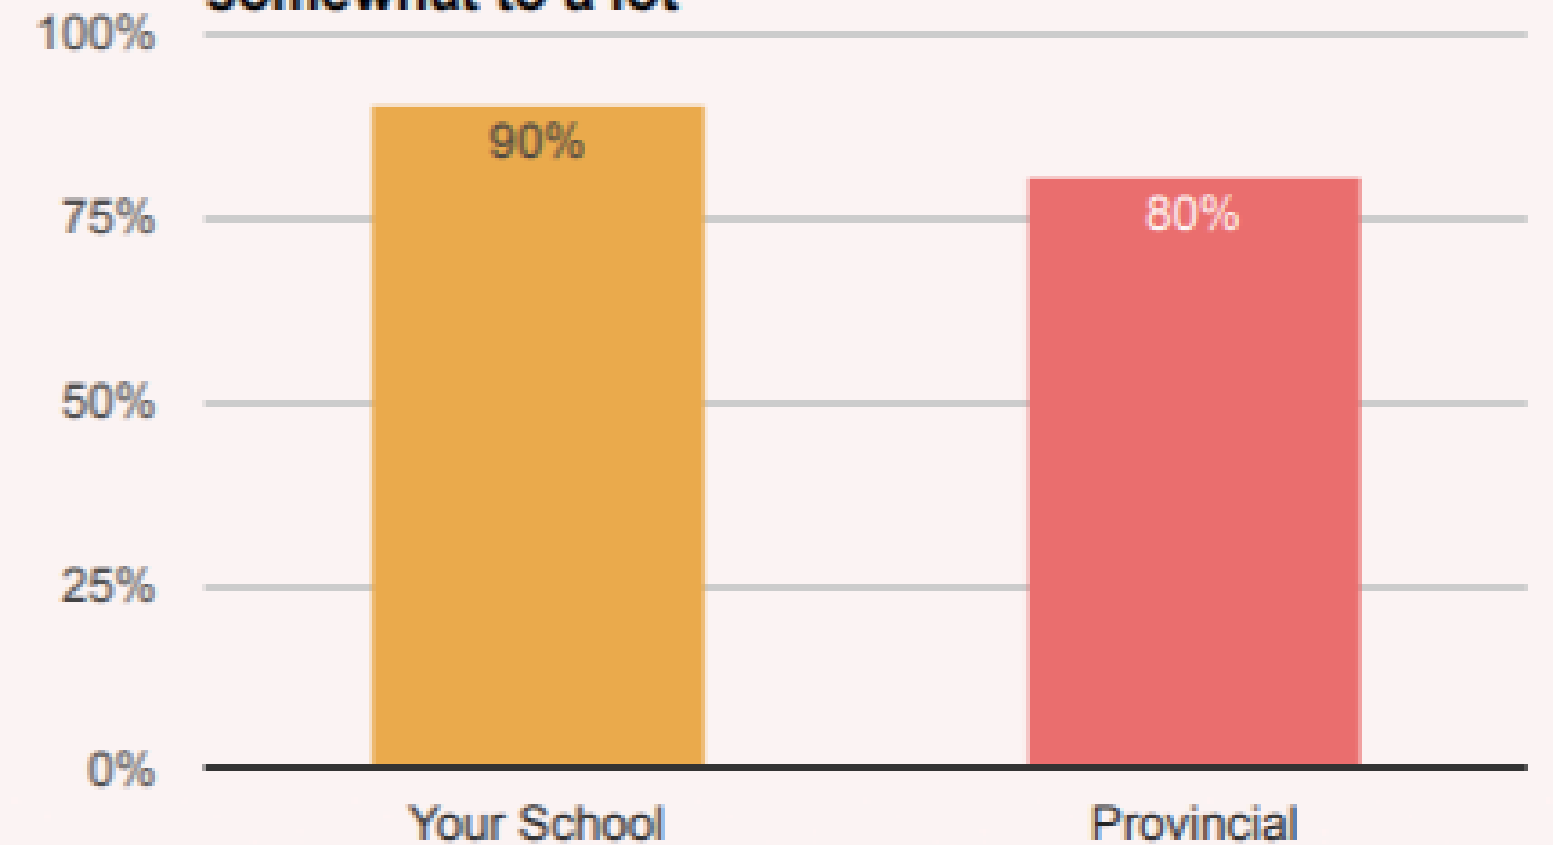

Percent of students reporting that they had opportunities to learn skills that will be useful later in life - somewhat to a lot

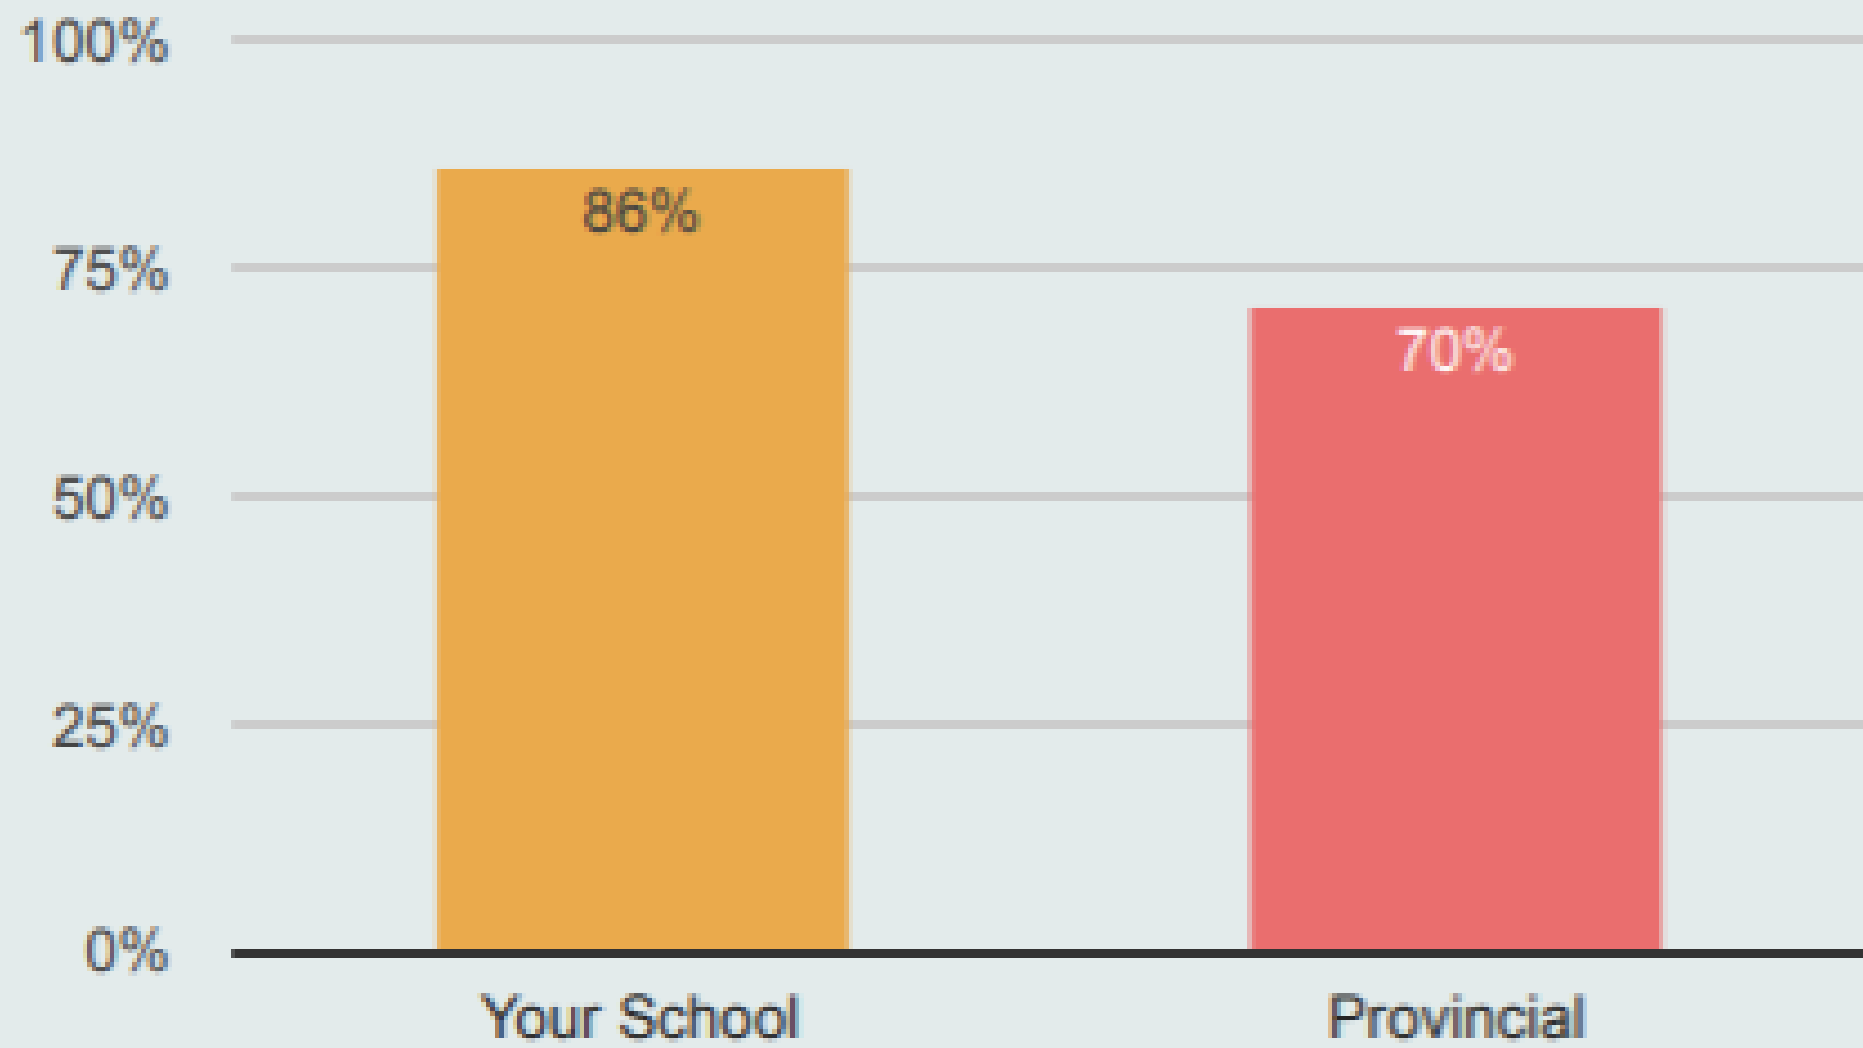

Percent of students reporting that the things they learn at school help them understand the world - somewhat to a lot

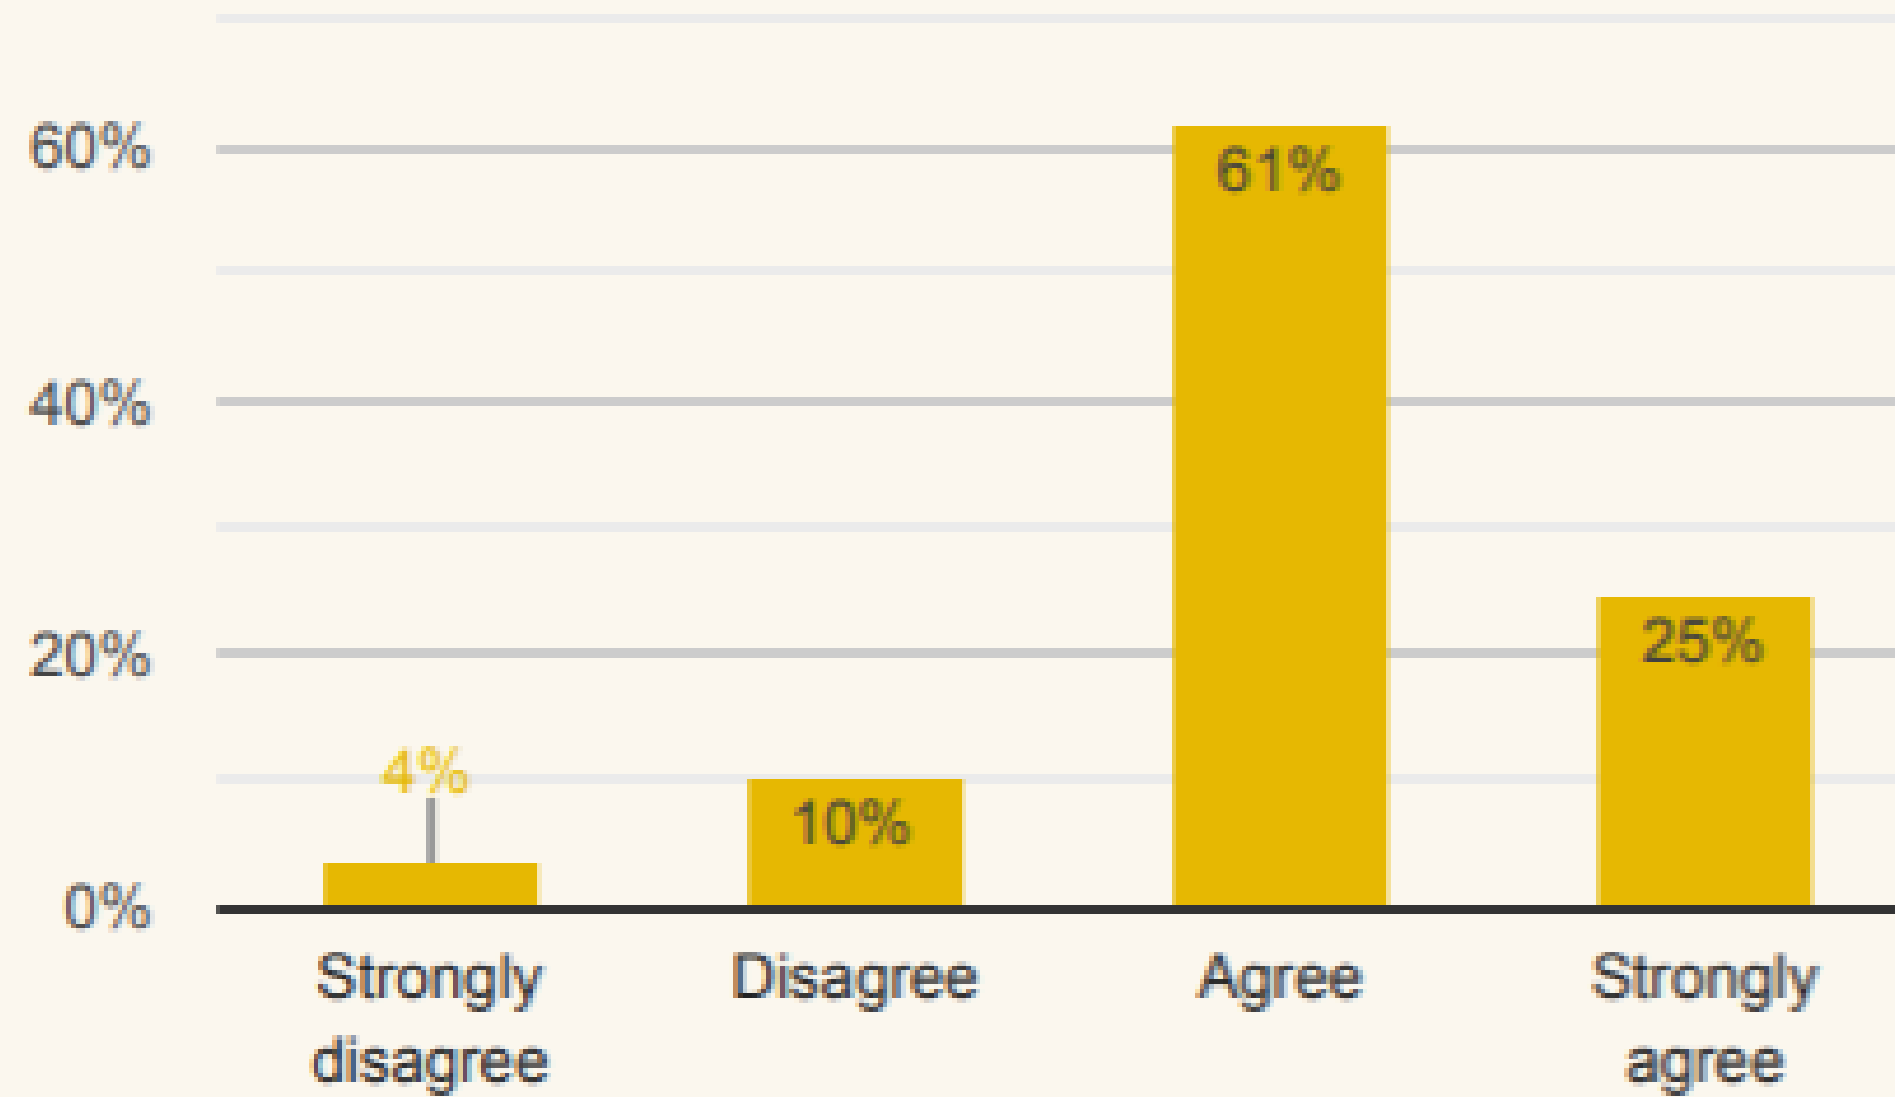

Percent of students reporting that the things they learn at school are important for their future - somewhat to a lot

Percent of students reporting good to excellent mental health

I feel close to people at my school:

Literacy

The FSL Team will develop a clear set of expectations for speaking French in all classes. (7 LIA, 7 FIB, and 6 LFIA to start)

In all subject areas, all students will accurately write their first and last names, as well as the date on all paperwork/tasks, using proper capitalization and spacing.

Numeracy

Recognition of our top math achieving students on our math competitions.

Involvement in the grade 9 math opportunity with HTHS.

Learning Environment

Create a buddy system to provide support connections. Grade 8 Huskies will be paired with younger students.

Diversity Club will be established to support pride in cultural heritage.

Graduation

Attendance process will be used to support better attendance monitoring and supports for families.
