Professional Learning Day Plan – January 26th, 2026 Maplehurst Middle School

The following is a brief description of our planned professional learning work for January 26th. This work is organized around our district's four collective goals:

- All students shall read, write, and communicate at grade level in both languages of instruction.
- All students shall be at grade level in numeracy.
- All students and staff will feel safe, cared for, and engaged in learning.
- All students shall graduate from high school.

School staff will monitor the impact of their work from these professional learning days in achieving these goals.

Literacy

- Teaching teams will design targeted instruction and interventions using literacy data.
- Practical arts teachers will connect their work to literacy goals by developing cross-curricular projects.
- Teaching staff will engage in sessions led by provincial, district, or internal staff to enhance classroom strategies identified by student data.

Numeracy

- Teaching teams will plan instruction and supports by examining numeracy data.
- Practical arts teachers will integrate numeracy skills into their subject areas.
- Teaching staff will engage in sessions led by provincial, district, or internal staff to enhance classroom strategies identified by student data.

Safe, Cared For, and Engaged

- Staff will utilize current attendance data to implement the Attendance Matters protocols.
- Educational Assistants will update student plans for supporting their caseload.
- The wellness team will plan for new and continuing activities using data collected from previous lunch hour activities.

Graduation

- Staff will discuss and plan for future professional learning priorities that impact graduation readiness.
