## Discussion Topics

1. **Principal's Report:**
   - Teacher Perception Data: Shared areas that Maplehurst have improved on from last year
   - Discussed how team calls (Non-violent Crisis intervention response team) happen at Maplehurst
   - Cyber night (300 kids attended. It went well)

2. **Safety Concerns**
   - Teaberry/ Maplehurst crosswalk: The school is asking if the PSSC would be able to reach out to the city MLA to ask for help to put crosswalk flashing lights ($20,000) up at Teaberry or cross guard. Around 500 students are walking home at one time and this is a very dangerous area when students are not always paying attention.
   - Jennifer Daigle will write the letter and share with Joy. It will be sent to us to review then sent off to MLA.

3. **Grade 8 Celebration:**
   - Mid-May they start talking about their legacy items (Use Legacy Day to raise money for their legacy item)
   - Then High school visits begin
   - 8 Field trip (grade 8 team will decide this)
   - Parent pancake breakfast (Grade 8 parents help)
   - Grade 8 Dance with many exciting things (Grade 7's families decorate)
   - Guest of honour assembly

4. **Home and School Update:**
   - Staff appreciation week, partnering with the school to give treats to staff every day this week

**Adjournment**
Meeting was adjourned: Moved by Victoria Nsissen and seconded by Nick Frizzell.
